

Australian Technology Park - Eveleigh

The Australian Technology Park Conference Centre, Eveleigh, is the most original conference and exhibition venue in Sydney. Its dynamic atmosphere is reflected in the living heritage precinct in which the centre's state-of-the-art facilities and expert staff reside.

Its comprehensive and convenient surrounds include wireless electronic and video conferencing equipment, contemporary landscaped grounds, security, parking and the convenience of a location within 4km from Sydney's central business district, 5km from Sydney Harbour, 8km from Sydney Airport and only 200m from Redfern Railway Station, where all Sydney's rail lines converge.

The Exhibition Hall boasts 6,000m2 of industrial heritage space; it immediately inspires all those who visit. The majestic cast iron columns and sky lit roof have been carefully refurbished to preserve the unique heritage qualities of the locomotive workshops. The Dining room features rich fabric and wood panelling interiors with an adjoining Atrium and theatre.

The ATP Conference Centre has quickly gained a reputation for being a venue of distinction. Whether you're holding a multi-day conference, international congress, annual general meeting, exhibition, gala event, award ceremony, product launch, video conference or press conference the venue can accommodate your requirements.
