

Star Court

Darling Point, Sydney

The magnificent **Star Court** and the **upper Gallery** is one of Sydney's finest multi-purpose spaces.

The eye is drawn upwards to the Celestial Vault, a triangular dome-shaped ceiling with its surface revealing the 50 constellations in the southern skies. High on The Forecourt walls, a spectacular sculptural frieze carved into 15 panels chronicles the evolution of commerce in Australia, each panel creates its own story. Custom furniture, carpets, lamps and timber balustrades cut with the silhouette of a grove of Eucalypt Trees, reflect the aura of style and elegance.

Star Court can accommodate up to 300 guests for a Cocktail Reception and up to 500 guests if the Gallery area is utilised. The venue will comfortably seat 200 guests for a sit down dinner with a dance floor or up to 250 guests with no dance floor. Access to The Garden is available for all events.

The Garden is a combination of brilliant architecture and clever engineering. Divided into six continental spaces, the spectacular 3000 square metre garden is designed to form the shape of a large waratah when viewed from above. More than 1000 trees, plants and shrubs have been planted representing every continent in the world and Australia's cultural diversity.

Nestled in the Northern corner of The Garden, **The Pavilion** is the perfect venue for all types of functions. Bathed in natural light from the curved windows surrounding The Garden, The Pavilion is ideal for business seminars, theatre style conferences, cocktail receptions, formal dinners and other special events. The venue is equipped with limited AV equipment and has complete blackout facilities.

Star Court and the Pavilion's central CBD, location is close to parking facilities and public transport, contributing to making it a unique and ideal location for your next special event.
